

Priorities for Development

We place great emphasis on self-evaluation and are constantly trying to improve our practice.

The following areas have been identified and form the basis of our Action Plan/Development Plan:

1. To ensure that the percentage of children achieving a good level of development in Early Years Foundation Stage is in line with national (60%) or above by:
 - Improving the quality of teaching
 - Developing rigorous, accurate assessment
 - Ensuring that the learning environment is organised, tidy, purposeful and meets the needs of all learners

2. To raise standards and improve achievement for all pupils by:
 - Using data effectively
 - Ensuring quality first teaching for all pupils
 - Improving standards in writing across the academy
 - Improving attainment in Maths

3. To use assessment effectively throughout the Academy to improve standards by:
 - Implementing new assessment procedures
 - Developing self and peer assessment
 - Analysing data effectively

4. To develop the leadership throughout the Academy
