

Social Development

At Willows Academy we offer a diverse range of experiences to develop children’s awareness of their social responsibility, acceptable social behaviours and provide a positive experience of working and playing socially with others.

These experiences included:

- Visits outside of school
- Visitors in school
- Social events- disco’s, fundraisers, reward events
- Collaborative team work
- Team Challenges
- Problem solving
- School Council
- Monitors and roles of responsibility
- An embedded behavioural system
- After school Clubs
- Comprehensive PSHE and British values curriculum
- Performances and class assemblies
- Fundraisers
- Gardening club
- Whole school, class and key stage Assemblies

A table of off site visits that extend the children’s social understanding and broaden their horizons beyond their own community can be seen below.
