Academy Mission Statement

Believe & Achieve – Growing Together

Introduction

The statements, aspirations and targets in this document represent a clear approach, which is wholly consistent with the policies and processes of the sponsor, School Partnership Trust Academies (SPTA). The academy will work closely with SPTA's other academies and with SPTA's Core Team and other personnel to ensure this policy is fully developed in line with best practice and, fully implemented.

Ofsted has defined the term 'safeguarding pupils' as:

'The process of protecting pupils from abuse or neglect, preventing impairment of their health and development, and ensuring they are growing up in circumstances consistent with the provision of safe and effective care that enables pupils to have optimum life chances and enter adulthood successfully.'

Christine Gilbert

Her Majesty's Chief Inspector

(The third joint chief inspectors' report on arrangements to safeguard Pupils 2008)

Safeguarding

The academy is committed to safeguarding and promoting the welfare of pupils and young people and expects all staff and volunteers to share this commitment.

The academy recognises that because academy staff are in regular and frequent contact with pupils, they are particularly well placed to observe signs of abuse or neglect.

The academy is aware of the responsibilities which all staff have with regard to the protection of pupils from abuse and from inappropriate and inadequate care. Therefore, the academy is committed to reacting in accordance with SPT

A and the Local Authority's

agreed procedures in all cases where there is concern.

Designated Senior Person/Safeguarding Manager

The Principal is the Designated Senior Person (DSP) along with Emma Isle who is the Deputy DSP (DDSP).

The Principal shall advise the Local Governing Board and all members of staff of the names of the DSP and DDSP and inform them of any changes.

The Principal shall also ensure that all staff and Governors are aware that the DSP's responsibilities include:

- i Ensuring that effective communication and liaison takes place between the academy and Social Services and any other relevant agencies, where there is a child protection concern in relation to an academy Pupil;
- ii Ensuring that all staff have an understanding of and training about child abuse, neglect and its main indicators;
- iii Advising staff on the academy's and their child safeguarding responsibilities and supporting staff in their child safeguarding role; and
- iv Responsibility to ensure that all documentation is up to date and kept in a secure environment.

The DSP and DDSP should possess skills in recognising and dealing with child welfare concerns. Appropriate training and support will be given. The DSP will be the first person to whom staff report concerns. It is then the responsibility of the DSP to discuss the situation with the relevant agencies.

The academy has arrangements in place for when the DSP is absent, with the DDSP deputising in the first instance.

The DSP is responsible for referring cases of suspected abuse or allegations to the relevant investigating agencies according to the procedures established by their Local Safeguarding Pupils Board and NE Lincs Local Authority. They will also initiate appropriate proceedings to address any allegations made against members of staff.

The DSP will act as a source of advice, support and expertise within the academy and will be responsible for co-ordinating action from referrals by liaising with Social Services and other relevant agencies over cases and allegations of abuse, regarding both Pupils

and members of staff.

The DSP will ensure each member of staff has access to, and is aware of, the academy's Child Protection Policy and the Safeguarding Pupils and Promoting Pupil Welfare Policy. This is especially important in respect of staff that are part time or work in more than one educational establishment, such as supply teachers, peripatetic staff, trainee teachers and other visiting professionals.

The DSP will liaise with DDSP to inform him/her of any issues and on-going investigations and to ensure there is always cover for the role.

The DSP and DDSP will make sure the academy's child protection policy is updated and reviewed annually and work with the designated governor for Child Protection regarding this.

The DSP will ensure parents/carers have access to full copies of this policy and the Safeguarding Pupils and Pupil Welfare Policy, in order to alert them to the fact that the academy may need to make referrals, and will summarise these policies in the Parents Handbook. (Raising parents' awareness may avoid later conflict if the academy does have to take appropriate action to safeguard a child).

Where pupils leave the academy roll, the DSP will ensure their file is transferred to their new academy or school as soon as possible (this can be done electronically). If a child leaves and the new academy or school is not known, the DSP will inform Education Welfare and the DfE so that these pupils can be included on the database for pupils missing from education.

The DSP will also have an important role in ensuring all staff and volunteers receive appropriate training.

Training in Safeguarding Pupils

All new staff will be made aware of the academy's Safeguarding Pupils Policy and Procedures during their induction. The document will be available to staff in the Staff Handbook and electronically.

All staff working at the academy will receive training to familiarise themselves with safeguarding pupils, their responsibilities and academy procedures and policies with refresher training every 3 years.

Staff involved in the recruitment and appointment of staff will have refresher training every 2 years.

The DSP and DDSP will each participate in specific training with a recognised body e.g. NSPCC or LSCB once every 2 years.

Records will be kept for all staff training, naming individuals and details of what training they have received and when. These will be kept with the central CRB register (see below). A schedule of training will be kept and included as part of the induction process for new staff. A schedule of training will be kept and included as part of the CPD policy for all academy staff by the Principal.

Every interview panel will contain at least one person who has undertaken the Safer Recruitment Training provided and assessed by the Children's Workforce Development Council. This person will ensure that the 'Safeguarding Pupils and Safer Recruitment in Education (ref: 04217-2006BKT-EN)' guidance is adhered to throughout the recruitment process. This is a statutory requirement which Governors must ensure is applied. Governors will also participate in Safer Recruitment training.

Criminal Records Bureau (CRB) Checking

All personnel who come into contact with pupils, whatever their status will be CRB checked, including Governors. The Admin Officer, working with the Principal will have responsibility for rigorously maintaining the Single Central Register.

CRB checking will be rigorous and records will be kept of references obtained in the appointment process detailing when they were obtained and who checked them.

The Single Central Register will be kept securely in one place. There will be limited access to the register and the people who have access will be named and advised.

The academy will ensure that it makes full and appropriate use of the Independent Safeguarding Authority (ISA)-registration scheme.

Reporting Concern

In the event of a member of staff having a child protection concern about a pupil, they must immediately report that concern to the DSP. The member of staff will be asked by the

DSP to document briefly the events which have given rise to the concern.

The academy will follow the Local Authority's guidelines for Child Protection, making appropriate use of the Common Assessment Framework (CAF), Family Hubs liaising with the Social Services and other agencies, as appropriate. The action taken by the DSP will, therefore, be in line with Local Authority's guidelines.

The DSP will report back to the member of staff who made the initial report on a 'need to know' basis. It may be that the member of staff is simply informed that appropriate action has been taken.

Record keeping

The DSP is required to manage the keeping of records in relation to matters regarding safeguarding pupils. These records will be stored securely. Where a person makes an oral statement, a written record will be produced, signed and dated by the author. (See Appendix 1)

Staff should be given as much information as necessary in order to help the pupil concerned. In general, this will mean that, where a pupil is on the Child Protection Register, or where there are concerns about a pupil, the member of staff chosen by the pupil to provide support will be kept informed. It may be appropriate in some cases to inform other staff, giving few details but raising general awareness, that there are issues that may affect a pupil's behaviour and level of achievement at that time.

In the event of a pupil causing concern transferring to another school, the academy will:

- i Find out the name of the receiving school;
- ii Contact the relevant member of staff at that school to discuss the transfer;
- iii Send all information relating to the pupil to the receiving school;
- iv Check with the receiving school that the pupil has actually arrived there on the expected day; and
- v Inform all of the relevant agencies of the transfer.

Listening to Pupils

The academy recognises the importance of listening to pupils at all times, particularly when they are distressed, worried or concerned. It is appreciated that at times particular pupils may feel stressed and confused. The academy shall identify quiet areas and provide the opportunity for these pupils to take respite from the normal day when necessary.

All staff shall be made aware that pupils who are not known to be the subjects of concern may, however, be experiencing ill treatment, neglect or abuse. This means that staff should be aware of the need for sensitivity when dealing with all pupils at all times.

The academy recognises that pupils who are distressed through experiences outside the classroom may be less able to achieve their potential. While it is clear that such pupils need firm boundaries, staff will take into account the pupil's distress when managing behaviour.

Pupils in the academy will be regularly anonymously questioned regarding their perceptions of how 'safe' they feel when at the academy. The Academy Pupil Council will also be used to assess pupils' perceptions of how safe they feel. The data collected from these surveys will be used to inform changes in policies and practice.

Confidentiality

The academy's Confidentiality Policy is set out in the Sex and Relationship Education policy.

The right of each pupil to confidentiality and privacy will be respected and all communications about the case will be kept to a minimum on a 'need to know' basis.

Pupils should be reassured that their best interests will be maintained. However, staff cannot offer or guarantee confidentiality and should ensure that the pupil understands that all disclosures made to the adult will be shared with the DSP.

When confidentiality has to be broken, the pupil should be supported, as appropriate and reassured about the academy's 'duty of care'.

The academy shares a common purpose with parents/carers to educate and keep pupils safe from harm and to have their welfare promoted, so is committed to working with

parents/carers positively, openly and honestly. The academy will ensure that all parents/carers are treated with respect, dignity and courtesy. The academy respects parents'/carers' rights to privacy and confidentiality and will not share sensitive information unless it has parental/carer permission or it is necessary to do so in order to protect a pupil.

The Academy will share with parents/carers any concerns academy staff may have about their child unless to do so may place a pupil at risk of harm.

Monitoring

The academy will monitor pupils whose names are on the Child Protection Register in line with what has been agreed in the child protection plan. Pupils deemed 'at risk' or known to be vulnerable will be regularly reviewed by a Professionals Meeting convened by the academy to ensure swift, integrated and appropriate intervention.

Parents/carers will be made aware of the academy's Child Protection Policy and the fact that this may require cases to be referred to the investigative agencies in the interests of the pupil.

Guidelines for monitoring

When?

When there is concern in the academy about:

- Marks on the body
- Unusual/different behaviour (including academic functioning)
- Mood changes
- Puzzling statements or stories by a pupil
- Information from others
- If requested by another agency e.g. following a case conference

Who should monitor?

- Teachers
- Other academy staff
- Other staff in regular contact with the Pupil

What should be monitored?

- Patterns of attendance
- Academic progress
- Changes of mood
- Changes in classroom functioning
- Relationships with peers and adults
- Behaviour
- Statements, comments, stories, 'news', drawings
- General demeanour and appearance
- Parental interest and comments
- Home/family changes
- Medicals
- Response to PE/sport
- Injuries/marks, past and present
- Multi agency reports, case reviews etc.

Preventative approaches

Pupils will be taught, through the curriculum, in PSHE and in meetings with class teachers and the Nurture Support Assistant about the risks of different kinds of child abuse and neglect, equipping them with the skills they need to help them stay safe.

Child safeguarding will be interwoven with many aspects of the existing curriculum. It can help pupils to:

- Promote their understanding of relationships, the interaction between relationships and the key concepts
- Increase self-esteem and awareness
- Make judgements and solve problems
- Be assertive
- Recognise, accept and express feelings
- Explore the nature of trust
- Identify 'okay' adults within personal safety networks
- Take decisions and accept responsibility for self and others
- Be self-reliant and independent

The academy will encourage pupils to feel safe and to talk about their feelings, thereby:

- Reducing isolation in the emotions they experience
- Relieving tension by enabling pupils to talk and be listened to
- Providing an opportunity to develop an appropriate vocabulary, making violence less likely as a way of expressing needs
- Allowing pupils to perceive situations more clearly for planning an action or change
- Making pupils feel protected by a culture which actively promotes a 'listening environment'

All pupils need to know what to do in case someone tries to harm them. Knowing that when pupils are abused or harmed, the abuse or harm may be perpetrated by some they know, teaching pupils to avoid dangerous situations, and to recognise inappropriate touching and comments can encourage them to trust their own judgement and to feel safer, more aware and confident.

The role of the Local Governing Board

The Local Governing Board will review this policy annually, monitor and evaluate its effectiveness and be satisfied that it is complied with.

They will ensure that the Principal has appointed a DSP and DDSP and that a nominated Governor for Child Protection is in place.

Governors will ensure that there are safe and effective recruitment policies and disciplinary procedures in place which adhere to 'Safeguarding Children and Safer Recruitment in Education 2007'.

Governors will recognise the contribution the academy can make in helping pupils keep safe through the teaching of PSHE.

The role of the Principal

The Principal will:

- Establish procedures for handling cases of suspected abuse (including allegations against staff and volunteers) which are consistent with those agreed by the Local Authority. These will be well-publicised to all staff

- Liaise with the nominated Governor on pupil protection issues and academy policy in this area
- Appoint a DSP and Deputy to co-ordinate action within the academy, who liaise with other agencies on suspected abuse cases
- Ensure that the DSP and the DDSP receive appropriate training and support
- Ensure that all staff recognise, and are alert to, signs of possible abuse and know what to do if they have any concerns or suspicions
- Make parents/carers aware of the academy's Child Protection Policy
- Work with local partners to create a safe environment for pupils at the academy

Monitoring and Review

The **Principal** will ensure that this policy is well-publicised to all staff, including those who join the academy on a temporary basis. This person will ensure that all procedures in this policy are robustly and routinely carried out and that in the event of any changes regarding best practice or statutory legislation, staff and Governors will be clearly and promptly informed.

The Principal will make an annual report to the Local Governing Board on any changes to this policy and implementation of this.

Approval by Local Governing Board and Review Date

The Local Governing Board will review this policy at least every two years and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the Academy.

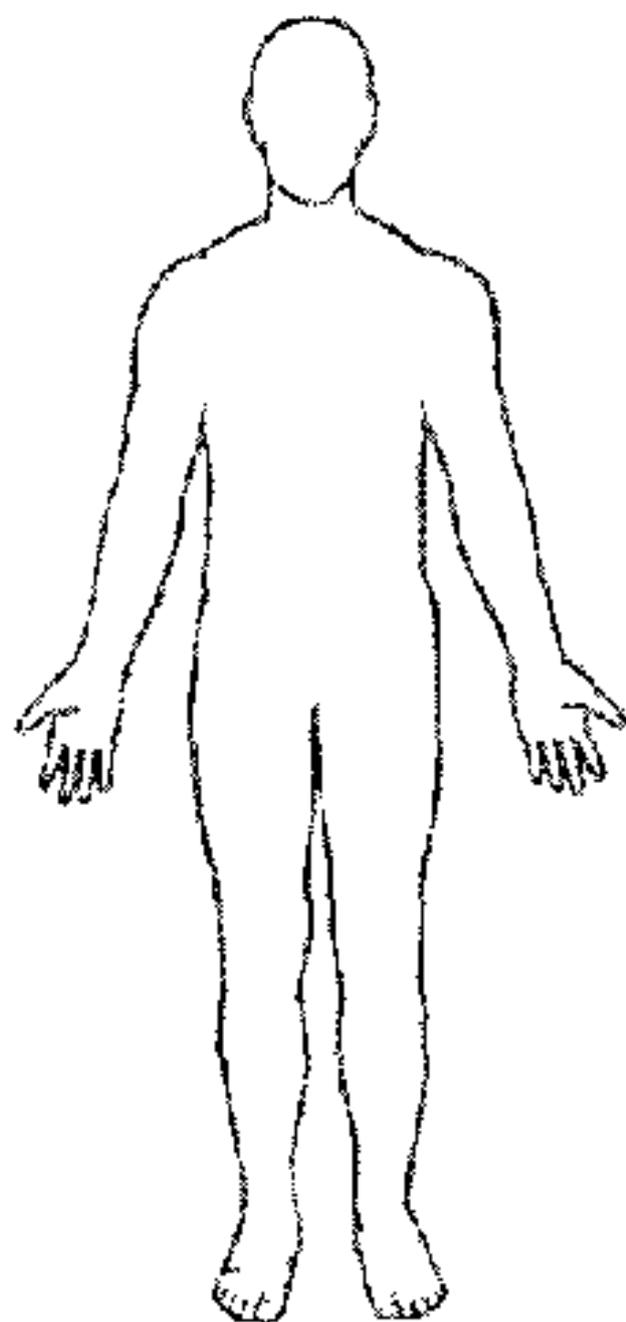

This policy has been formally approved and adopted by the Local Governing Board at a formally convened meeting.
